Priorities for spending

- Provide small group tuition sessions with tutor and some with class teacher to target key priority objectives in English and Maths to be ready for next year group curriculum
- Accelerating the progress in phonics
- Supporting children's wellbeing in returning to school and associated anxieties
- Accessing remote education and using IT to support interventions

In spending the 'Catch Up' grant we have considered what would have the most impact on the pupils wellbeing and learning and ensured that any resources purchased would be of long term benefit for the school.
